Why an Eye Gel Product?

- The skin around the eyes has unique needs since it is the thinnest and most delicate skin on the face
- Revitalize and moisturize the skin around the eyes
- Refresh tired eyes
- Diminish (reduce) dark circles and improve puffiness around the eyes
- Minimize the appearance of fine lines and wrinkles

Why Nutriance Organic Insta-Lift Eye Gel?

Nutriance Organic Insta-Lift Eye Gel is a refreshing and soothing eye gel, formulated in a base of organic Cornflower water and packed with unique ingredients that work synergistically to brighten tired eyes, reduce dark circles and puffiness while smoothing away visible signs of fine lines and wrinkles.

Recommended for all skin types

Soothes, decongests & conditions the skin

- Clinically tested and proven safe for the eyes, well tolerated and non-irritating under dermatological and ophthalmological control in a leading European skin care clinic.
- Proven to reduce wrinkles by up to 40% in just 30 minutes.*

Key Active Ingredients

- Cornflower (*Centaurea cyanus*) water is the base of the formulation, used to soothe and decongest the skin.
- *Chlorella vulgaris* extract works together with Horse Chestnut (*Aesculus hippocastanum*) seed and *Jania rubens* (red seaweed) extracts to boost microcirculation and energize the eye area, helping to reduce dark circles and ease away puffiness and eye bags.
 - *Chlorella vulgaris* extract, a microscopic green seaweed rich in amino acids and peptides
 - Horse Chestnut (*Aesculus hippocastanum*) seed extract rich in polyphenols and minerals
 - *Jania rubens* extract, a red seaweed rich in minerals and trace elements with skin protective, moisturizing and brightening properties
- Wrinkle-fighting and hydrating ingredients:
 - Beech bud extract from the Beech tree (*Fagus sylvatica*), is packed with polyphenols and amino acids. Beech buds stimulate active cell renewal in the delicate skin area of the eyes.
 - *Alteromonas* extract, a marine polysaccharides extract from the plankton of the Iroise Sea, enhances hyaluronic acid production to help fight the appearance of fine lines and wrinkles around the eyes.
 - *Fucus vesiculosus*, a brown seaweed with beta-glucans for skin hydration.

*Results may vary
