

YOU'RE INVITED TO A SPA HOUR!

WHEN (date/time**)

WHERE

Join us for a fun and relaxed time with friends and family where you'll get educated on the best kept age-defying secrets of skin care. You'll leave empowered with knowledge to keep yourselves and your loved ones safe, healthy and glowing. We'll also have a fun time of pampering ourselves with a Self-Spa Treatment using the age-defying Nutriance Organic skin care line. Your skin, the largest organ of the human body, will thank you!

If you haven't already RSVP'd for the event, please do so ASAP so I'll know how many people to prepare Spa Stations for.
