

DAILY VITALITY PACK

Many people today have nutritional needs that go beyond the basics. They want more than just a single multi-vitamin and mineral product. They want the additional value of a food supplement programme that assures an abundance of vital nutrients.

NeoLife Scientific
Advisory Board

#2593 – 30 sachets

Why Daily Vitality Pack?

Daily Vitality Pack is a modern uni-dose method of assured super supplementation and the perfect way to fulfil these needs.

It combines five important NeoLife supplements in one easy and convenient daily sachet, providing the assurance of an abundance of the nutrients that make up a strong “Foundation of Life”.

Why NeoLife's Daily Vitality Pack?

A convenient, **daily supply of essential vitamins and minerals as well as Tre-en-en®**, ensures that the body's cells are receptive and all daily micronutrient requirements are available on demand.

Each convenient Daily Vitality Pack sachet contains

2 Formula IV Food Supplement capsules, 1 Sustained Release Vitamin B Complex tablet, 1 Sustained Release Vitamin C tablet, 1 Vitamin E 200 IU capsule and 1 Multi-Mineral plus Alfalfa tablet.

Formula IV Food Supplement provides the nutrient foundation for the Daily Vitality Pack

The Formula IV Food Supplements make up the basis of the Daily Vitality Pack's nutrient profile by providing **vitamins, minerals, lipids/sterols, selected enzyme and other food factors**.

Vitamin B Co (Sustained Release) contributes extra B vitamin potency

High potency abundance of important B vitamins, **including biotin, choline and inositol** are provided in each preservative free tablet.

Vitamin C (Sustained Release) provides whole citrus and other food based vitamin C factors

Vitamin C from whole-food sources **including whole citrus lemon bioflavonoids**, known to improve vitamin C absorption, **plus rosehips, rutin, hesperidin complex and acerola cherry**.

Vitamin E 200 I.U. provides extra antioxidant supplementation

200 I.U. of pure d-alpha tocopherol (vitamin E) in the superior soft gelatine capsule form. Also provides the **complete vitamin E complex** including alpha, beta, gamma and delta tocopherols plus the **complete tocotrienol spectrum** as found in soya concentrates.

Multi-Mineral plus Alfalfa provides broad spectrum mineral supplementation

Eight (8) important minerals **plus five (5) plant mineral sources, including alfalfa** contribute broad spectrum mineral supplementation. **Includes 325mg of calcium**.
