

2 Timothy 4:5

But you...

Be Sober

A metaphor for being **well-balanced** and in control of his faculties, with the idea of being **stable, unwavering** and **steadfast**.

Endure Hardship

(Timothy did exactly as Paul directed, for tradition says he **died in defense** of the **Sound Doctrine** of the **Gospel**.)

Do the work of an Evangelist

Preach the full counsel of the Word to those who already belong to the Lord, **AND** continue to **confront the lost with the gospel of salvation**.

“Fulfill your ministry”
