OF THE UNITED STATES OF AMERICA AUTHORIZED BY EXECUTIVE ORDER, 24 AUGUST 1962 HAS AWARDED

THE BRONZE STAR MEDAL

TO

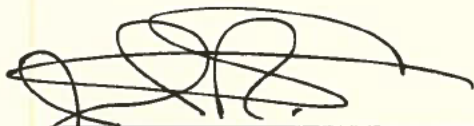

(b)(6)

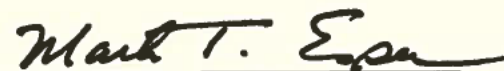

Nigerien Army

FOR exceptionally valorous and heroic achievement while serving with the 1st Security and Intelligence Battalion, Nigerien Task Force, serving alongside Special Forces Operational Detachment Alpha (b)(3)/(b)(6) in support of Operation Juniper Shield. Having fought and withdrawn under overwhelming enemy fire, (b)(6) and his United States and Nigerien teammates prepared their final defensive position. When a Nigerien reaction force arrived, it mistook the team for the enemy and immediately opened fire with its heavy machine guns. (b)(6) without regard for his own personal safety, exposed himself to a hail of friendly fire and gained the attention of the reaction force, which immediately ceased fire, preventing potential fratricide. This bold and courageous action was decisive in saving the lives of his teammates. (b)(6) leadership, personal bravery, and devotion to duty were in keeping with the highest traditions of military service and reflect great credit upon him, the United States Army, and the Nigerien Army.
