This is a small compilation of Test of Tyme's work. You will encounter many examples of different styles, scales, textures, and surfaces. Everything you see on a surface value was touched, scraped, distressed, shaded, brushed, aged, and inspired by Scott Coulter and Don Whitaker. "Everything" entails: hand stained embossed gilded leather made to match an 18th century book, distressed stone entry's, aged glazed wood finishes of all kinds, metal patinas, waxed plaster to match any color, and all types of painting. If you have any questions, comments, or interest in hiring please refer to our contacts on the back page of this brochure.
