Grades and test scores are not the determining factor of the recipient for this scholarship. Write an essay telling us why you should be our “Eye on the Future” scholarship recipient. Your essay should be no more than 500 words. Please address in your essay; your college goals, what you intend to do with your education, and why a scholarship is important to you. Include any academic and non-academic accomplishments, personal characteristics, or experiences that make you uniquely worthy of scholarship consideration. We are excited to get to know you better. Good luck!
