

Making a Reservation

We are very pawpular during major holidays and summer weekends. It is best to reserve a spot at least one month in advance.

Giving the best care to your pet is our highest priority. Please plan for your drop off to take around 15 minutes. Our Pet Resort attendants will need time to go over things like behavior, eating habits, and paperwork.

We ask that you drop off no earlier than 8:00 am and pick up no later than 5:00 pm.

If you plan on picking your pet up on a Saturday or

For all boarding reservations we require a 3-day (non-refundable) deposit to reserve the accommodations. Thank you for your understanding.

Playtime and Routines

Fresh linens are supplied and changed daily. Our kennel attendants take great care to make sure every space is always clean. Cots or plush beds are in each space to ensure naps and nights are comfortable for all pets.

We have both inside and outside play areas where our kennel attendants rotate like-size pets for group play sessions. Private play sessions are offered for pets who do best alone. While outdoors pets can play in the grass, lay in the shade, or take a dip in our
