Providence

Cat Condos (separate from dogs)

Small Dog Room (cages)

Dog Runs (Indoor/Outdoor)

## Premier Boarding

If you have a pet that has higher energy needs, experiences emotional distress or problems related to boredom, or if you simply want your pet to have some extra attention, we recommend our Premier Boarding.

- Your pet will be given a chew of the appropriate size each day to help freshen breath, clean teeth, and alleviate boredom.
- Meals will be fed from a food dispensing toy instead of a bowl to help alleviate boredom and food gulping.
- Your pet will receive 20 minutes a day of individual play time with our animal care staff for games, exercise, and snuggles.
- Dogs will receive a bath before going home and cats will be brushed out.
