BOARDING DATES: DROP OFF _____

PICK UP _____

MEDICATIONS:

If your pet is on medication, please make sure to bring them with specific administration instructions at check in. A fee of \$2.00 per day for medication administration will be included on your final invoice for this service.

MEDICATION INSTRUCTIONS: _____

VACCINATIONS:

In order to provide a safe and clean boarding stay, your pet must be current on their Rabies vaccine and DAPP (for dogs) or RCP (for cats). We also require a Bordetella vaccine for dogs within the past 6 months. We recommend having these vaccines administered at least 7 days prior to boarding, but they can be administered here after an examination from one of our staff veterinarians if necessary. If vaccines have not been given at our facility, please bring a copy prior to dropping off your pet for boarding.

FLEA PREVENTION:

In order to ensure a flea free environment, each boarding pet (dogs and cats) will be administered a Capstar (Nitenpyram) oral flea adulticide pill when checking in and checking out of our facility. A fee of \$7.50 will be included in your final invoice for this service.

PERSONAL PROPERTY:

Leashes, blankets and other personal property may be left with your pet for their stay. Please label all items with permanent identification. We will make every effort to return these items to you at check out, but they are left with us at your own risk.

MEDICAL PROBLEMS:

Our staff will make every effort to ensure a safe and disease free stay for your pet. Unfortunately, accidents can happen and certain diseases are not completely preventable. It is understood that there are risks involved with animals and their unpredictable nature. Pets will be boarded here at their own risk. In the event of a medical concern, you will be contacted as soon as we are aware of a problem. We will not be held responsible should your pet acquire a disease or injury during their stay. By signing this agreement you agree to hold this facility harmless for unavoidable conditions such as respiratory disease, diarrhea, lameness, weight loss, external parasites, etc. You acknowledge if emergency, unexpected, life saving care is needed for your pet and you are not able to be reached, Friendship Veterinary Hospital will provide this care at your expense. You also acknowledge that your pet is free of any known infectious or contagious diseases and has not bitten anyone in the past 10 days. You also acknowledge that if your pet is not picked up within 10 days of notification to the address provided, it will be considered abandoned and handled in accordance to state law. You also acknowledge that said process will not relieve you of financial obligation in relation to your pets boarding stay.
