Vaccinations:

For your cat's protection, all vaccines must be current. If you are unable to provide proof of these vaccinations, a doctor at Family Pet Hospital will provide a comprehensive exam and appropriate vaccines. Your cat must also be free of internal and external parasites. If not, we will treat your cat at your expense. Please note that many vaccines do not take affect for 10-14 days, so be sure your cat is vaccinated before boarding for optimal wellness.

I understand and agree to this policy.

Permission to Treat:

Should my pet(s) become ill, Family Pet Hospital's veterinarians may provide all medical and surgical treatment deemed necessary in the doctor's professional judgment. I acknowledge that in the event of my pet's illness, the Family Pet Hospital staff may not be able to contact me immediately and is therefore authorized to initiate appropriate treatment until I (or the pet's agent) can be reached. I agree to pay all related expenses associated with treatment of my pet until I am available to discuss further care and related fees with the attending veterinarian.

I understand and agree to this policy.

If my cat has a serious illness or injury that becomes critical during my absence, I want the doctors to:
