

Grooming Registration Form

I, the undersigned, am willingly having my pet(s) groomed at Bayview Pet Medical and Dental Center, and by doing so give Dr. Roth and staff the authority to administer emergency care to my pet(s) in the event such care would be needed. If non-emergent medical attention is needed, an effort to reach client for approval will be made prior to treatment. If the client can not be reached and the Dr. determines that medical attention is needed, then the Dr. has the authority to administer basic care in an attempt to correct condition. I release Dr Roth, Bayview Pet Medical and Dental Center, and its employees from any liability related to injury or accidental death that occurs under normal operating conditions of our facility. I understand that I am financially responsible for any medical care administered as stated above.

All pets that have fleas will be given a **Capstar** to prevent our clinic from becoming a source of fleas for all pets that visit us if needed. The cost is \$9 for <25 lbs and \$10 for > 25 lbs. Also, all pets must be current on **vaccines, including canine influenza**, and have had an **intestinal parasite screen** and **oral de-wormer** within the past 6 months. If your pet needs vaccines, intestinal parasite screening, or oral de-worming they may be given at time of grooming.

I understand that if my pet(s) are determined to contain any parasites that may be contagious to other animals they will be treated and I am financially responsible.
