I am the owner (or the agent for the owner) of the animal described above, and I have the authority to execute this consent.

I hereby consent and authorize Elm Point Animal Hospital staff to groom my pet. I realize that hidden matting or other conditions may not become evident until grooming is underway and will be treated as needed *at the owner's expense*. If fleas are found, we will apply a flea treatment *at the owner's expense*.

I understand that it is my responsibility to inform the groomer of any special conditions or sensitivities as well as any instructions for grooming this pet. I also understand that skin conditions, sores, abrasions and sensitivities may be found on my pet's skin during the grooming process. If my pet is matted, I understand that shaving and/or de-matting can cause skin irritation and will be treated *at the owner's expense*.

I consent and authorize Elm Point Animal Hospital to take pictures of my pet and understand these pictures may be posted on social media as well as other public forums.
