

SURGICAL INFORMATION PACKET

Your pet has been scheduled for an upcoming surgery. In our attempt to assist you, we have put together this packet to make surgery day as easy and stress-free as possible.

Please read carefully all the enclosed information. If you have any questions, please feel free to call us at (276)889-5515.

On your pets' surgery day, we require you to review and sign a Treatment Plan detailing the procedure to be performed.

The night before your pet's surgery...

- Withhold all food and treats after 9:00pm.
- Water may be left down after this time period.
- If you are currently administering any medications, vitamins and/or injections, withhold the morning doses unless otherwise instructed by the doctor.

Please make arrangements for your pet to be dropped off at 8:30 a.m. on the morning of scheduled surgery, unless other arrangements have been made in advance. At time of drop off, our team will be happy to answer any questions/concerns you may have.

If any questions arise, the doctor may contact you at the number on the Authorization Form.

You will be updated on your pet's status after their procedure has been completed. At this time, we will be able to give you an idea when your pet may be discharged.

When you arrive to take your pet home, the veterinary assistant will go over all discharge orders verbally and give you a written copy which will be signed at check-out. At this time a receptionist will schedule any follow-up appointments. If you do not understand the instructions, please do not hesitate to ask any questions you may have.

We hope surgery day will be a pleasant experience. Remember, our team knows surgery can be an anxious time and we are always available to answer any and all questions concerning the upcoming procedure.

We look forward to serving you and your pet on the upcoming surgery day and years to come.
