

The Fix Is In

With plastic surgery procedures on the rise, surgeons who specialize in mending shoddy work have never been busier. Rob Haskell meets the revisionists.

THE CLEANUP CREW

Whether you've been overstretched or simply underwhelmed these top docs can cure your post-op blues.

TUMMY TUCKS:

ALAN MATARASSO, New York

212-249-7500 alanmatarassomd.com

Matarasso pioneered the “abdomino-lipoplasty” a tummy tuck – liposuction combo, and is known for smoothing bumps and scars left from previous procedures.
