I have read and understand this agreement. I fully intend to pick up my pet(s) on the above specified date. If circumstances change, I will notify the office of a new pick-up date. If the dog becomes unmanageable or presents a safety concern while in our care, including due to excessive aggression, destructive behavior, or inability to be safely handled, the owner agrees to promptly pick up the dog upon request. The boarding facility reserves the right to require immediate pickup and may terminate the boarding stay if necessary to protect the dog, staff, or other animals. I understand that boarding a dog involves certain inherent and unavoidable risks, even when attentive and reasonable care is exercised. These risks may include, but are not limited to, illness, injury, allergic reactions, gastrointestinal upset, anxiety or stress, accidental injury, interaction with other animals, scratches or bites, and other conditions or incidents that may occur during boarding. I acknowledge these risks and agree that the facility is not responsible for injuries, illness, or loss arising solely from these inherent risks, except to the extent caused by the facility's negligence or otherwise prohibited by applicable New York law.
