Animal Care Hospital, 1410 N. Liberty Street, Morris, IL 60450 (815) 941-9924

Your pet must be current of all vaccinations. Your pet must also be free of internal parasites (such as worms) and external parasites (such as fleas and ticks). If not, your pet will be treated accordingly, for safety and hygienic reasons.

Please ask for a list of these services. Our baths include complimentary nail trim and ear cleaning.
