Newport News, VA 23608

If you need an appointment call (757) 255-8804
or

Visit www.NoMoreChasinTails.com to schedule an appointment online.

Pre-Surgical Instructions

1. We require all animals 4 months and older to have a rabies vaccine. If your pet has had a rabies vaccine, please bring proof in the form of a certificate (rabies tags are not acceptable). If your pet does not have a current rabies vaccination we can provide one the day of surgery for an additional \$15.

We also recommend distemper for dogs and cats but is not required. If possible, we recommend that you have your dog or cat vaccinated 2 weeks prior to surgery as this provides the optimum protection from those diseases.

2. Animals **over four months old** must not have food after midnight the night before surgery. Animals **four months or younger** must have a small meal the morning of surgery. Your pet should be allowed access to fresh water until the morning of surgery.

3. Check in time is 7:30 a.m. for dogs and 8:00 a.m. for cats. If you arrive after 8:30 am we may ask you to reschedule your appointment. We have a very strict surgical schedule that must be followed.

4. Please leave your dog in the car while you check in and fill out the required paperwork. Cats must be in carriers and may be brought into the clinic during check-in. To save time, you can print and fill out our admission form which is located on our website at www.NoMoreChasinTails.com.

5. All dogs must be on a leash.
Tame cats must be in a cat carrier (only one cat per carrier).
Feral cats must be in a trap or transfer cage.

6. We accept Mastercard, Visa, and cash (we do not accept Care Credit or checks).

7. We do not board pets, a pick-up time will be given to you when you drop off your pet for surgery. Normally pick-up time for dogs is 2:30 pm and cats are 3:30 pm but that is dependent on the surgery load. We close at 4:00 pm and all pets must be picked up by that time.
