Greater San Diego Association of REALTORS® Announces Primary Election Endorsements

SAN DIEGO (May 29, 2018) – The Greater San Diego Association of REALTORS® (SDAR) announces the endorsement of 10 candidates for the 2018 primary election on June 5.

Over the years, San Diego REALTORS® championed a number of legislative issues that enhance the quality of life for San Diego residents and real estate industry professionals, such as implementing proposition 13 property tax protections, streamlining housing development and removing expensive point-of-sale mandates and other issues that create barriers to homeownership.

“This is a critical time for San Diego’s REALTORS® and housing industry,” said Steve Fraioli, SDAR President. “This year, we were particularly interested in how candidates would help protect private property rights, middle-income homebuyers and real estate professionals. We fully support the candidates we’ve endorsed and look forward to engaging our 20,000 members across the region to help them get elected.”

The SDAR endorsed candidates are:

- ✓ California State Senate District 38 – Brian Jones
- ✓ California Assembly Member District 77 - Brian Maienschein
- ✓ San Diego County District Attorney – Summer Stephan
- ✓ San Diego County Sheriff – Bill Gore
- ✓ San Diego County Assessor/Recorder/Clerk – Ernie Dronenburg
- ✓ San Diego County Supervisor District 4 – Bonnie Dumanis
- ✓ San Diego County Supervisor District 5 – Jim Desmond
- ✓ San Diego City Council District 2- Lorie Zapf
- ✓ San Diego City Council District 4 – Myrtle Cole
- ✓ San Diego City Council District 6 – Chris Cate

SDAR focuses on electing lawmakers who understand the concerns of San Diego’s buyers, sellers and REALTORS®, who will fight to protect private property rights and who will work to remove unnecessary barriers to homeownership. SDAR evaluates, where possible, candidate voting records on real estate issues. Candidates are invited to participate in a screening process and SDAR’s Candidate Screening Subcommittee then makes a recommendation to the SDAR Board of Directors for final approval.
