Halter - judges place 15

- 16 or less entries - Do NOT line up on each judge
- 17 or more entries - Line up on each judge

Performance Halter - judges place 15

- 44 or less entries - all in arena (up to 4 lines of 11)
- 45 or more entries - multiple splits
 - bring back 10 from each split

*****The Congress program is designed to follow the above procedure. It is important to stick to the procedure as written to calculate correct information as splits/finals are run.

Congress Split Procedure for:

Showmanship, Horsemanship, and Hunt Seat Equitation (scored then ranked)

1-60 entries drawn

Run in one split call back top 20 cumulative scores for *rail work

- o *Announcer assistant will provide each Judge with his/her scores of those entries that have made the rail work.*

61-120 entries drawn

- Run in two splits (total number of entries divided by two to determine the number of entries per split).
- Call back top 10 cumulative scores from each split resulting in 20 who will rework the pattern.
 - o The new random draw for rework will be generated by the announcer assistant and then forwarded to gate printer.
- Those 20 will then be called back for *rail work.
 - o *Announcer assistant will provide each Judge with his/her scores of those entries that have made the rail work.*

121-180 entries drawn

- Run in three splits (total number of entries divided by three to determine the number of entries per split).
- Call back top 10 cumulative scores from each split resulting in 30 who will rework the pattern.
 - o The new random draw for rework will be generated by the announcer assistant and then forwarded to gate printer.
- Call back top 20 cumulative scores for *rail work.
 - o *Announcer assistant will provide each Judge with his/her scores of those entries that have made the rail work.*

*In Showmanship there is no rail work - the top 20 cumulative scores will be called back for final placings and awards. To assist with final rankings, each judge will be provided a list of the returning back numbers in the order of their individual scores. Reminder that not all of a judge's top 20 will be in the cumulative top 20.

Final Placings

Judges rank 15 based on scores from last run along with rail work (no rail work with Showmanship - see above to place based on provided report).

General Scoring Procedures for:

Equitation over Fences, Working Hunter (only rank)

Each judge keeps their own scores and ladder sheet - judges rank 15.

Roping, Reining, Trail, Western Riding, Ranch Riding, Ranch Trail (scored)

Provide individual scores to ring steward after each run.

Longe Line (scored then ranked)

Provide individual scores to ring steward. Call back top 20 cumulative scores for awards

- o *Announcer assistant will provide each Judge with his/her scores of those entries that have been called back into the arena for awards.*

Final Placings

Judges rank 15 from the top 20 cumulative scores. To assist with final rankings, each judge will be provided a list of the back numbers with the top 20 cumulative scores listed in the order of their individual scores. Reminder that not all of a judge's top 20 will be in the cumulative top 20.

Hunter Hack (scored then ranked)

Provide individual scores to ring steward. Top 20 cumulative scores will be called back for rail work.

- o *Announcer assistant will provide each Judge with his/her scores of those entries that have made the rail work.*

Final Placings

Judges rank 15 based on scores from fence and rail work.

*****The Congress program is designed to follow the above procedure. It is important to stick to the procedure as written to calculate correct information as splits/finals are run.
