If the highest bidder fails to immediately execute the Acknowledgement of Purchase or otherwise fails to comply with the Conditions of Sale, or in the event of a mistake by the Auctioneer, PTAMN reserves the option to re-sell the animal and such resale shall terminate all obligations of PTAMN and consignor to honor any bid. Buyer must present their copy of the receipt to security at the time the horse is removed from the grounds. All horses must be removed from sale stalls by 9 pm. Sunday, October 15. Buyer is responsible for the care of the horse immediately after the fall of the hammer.

**EIGHTH** - All registration papers will be withheld by the Auction Management until all checks clear the bank (approximately 21 days) at which time they will be mailed, with completed transfer reports to AQHA for Quarter Horses, and to the buyer for other breeds. NOTE: If any buyer desires to obtain papers immediately, horses must be paid for with cash or cashier's check.

**NINTH** - IF ANY PERSON SHALL PURCHASE A HORSE AND NOT PAY FOR IT AS PRESCRIBED ABOVE, the Auction Management or consignor shall have the right to resell the horse, or at their option, bring legal action in which event buyer agrees to pay all cost of such suit together with reasonable attorney fees as fixed by the court. In the event of resale the defaulting buyer agrees to pay all costs of resale and price deficiency, if any. Interest of 1-1/2% per month will be charged on the unpaid balance of any account not paid for as set forth in these conditions.

**TENTH** - Every effort has been made to assure correctness of the catalog but the Auction Management and auctioneers are not responsible for errors or omissions and assume no liability on the part of the seller as to any such statements, either verbal or written regarding horses sold. All statements and corrections at the sale will supersede the catalog.

**ELEVENTH** - The Auction Management, auctioneers and staff do not act for or represent the buyer or seller, but merely provide a medium for bringing together the buyer and seller for the purpose of sales transactions. If such horses have not been so tested, the designation "Not tested for HYPP" is disclosed along with the other information concerning the particular horse.

**THIRTEENTH** - Broodmares are guaranteed only to have been bred to stallions as indicated. No guarantee is made of pregnancy status or eventual foaling unless made specifically by consignor. No return privileges or live foal guarantees accompany mares unless stated by consignor with proof in writing of such agreement issued by stallion owner. Each broodmare selling as bred to a stallion will have been examined by a veterinarian within 10 (ten) days of the Sale Date and reported at the sale as "in foal", "open or barren", or "bred" (meaning an insufficient amount of time has passed to determine pregnancy). Any purchaser of a broodmare sold in this sale may have the mare examined by an acceptable veterinarian within 12 hours after the start of the session in which the horse sells and before the horse leaves the sale premises. Any broodmare so examined whose pregnancy or breeding soundness status is found not to be as represented at the time of sale, may be returned to the consignor as unsold, and the consignor shall pay veterinarian's fee for examination.

**FOURTEENTH** - Consignor has the responsibility to notify the sales management in writing prior to the sale of any unsoundness of any nature known to him and they will be announced at time of sale. Consignor also warrants that horse is not suffering from any contagious or infectious diseases and has not been given drugs to alter soundness or temperament; and agrees to disclose if any drug or medication is being administered to the horse for the maintenance of any condition. BUYER HAS THE RIGHT TO HAVE A LIMITED VETERINARY EXAMINATION WITHIN 12 HOURS OF THE START OF THE SALE AND BEFORE THE HORSE LEAVES THE SALE PREMISES. If a qualified veterinarian finds the horse not to be sound for the advertised purpose, and presents a certificate stating such to PTAMN within the 12 hour period, the consignor will accept the return of horse as unsold and hereby authorizes PTAMN to refund the purchase price. This examination will be limited to moving the horse for soundness on riding horses, and checking the reproductive tract on breeding horses, as well as checking for conditions as stated in Condition Positive reaction to flexion tests and hoof testers does not constitute unsoundness, if the horse is moving sound. These tests should be a part of a pre-purchase examination. THE BUYER HAS THE RESPONSIBILITY TO EXAMINE HORSES BEFORE BIDDING.

**FIFTEENTH** - The consignor has the responsibility to notify the sales management in writing prior to the sale of the fact that the horse is a cribber, a weaver, unsound of eyes or wind, a cryptorchid, monorchid or ridgling, parrot mouthed, has had major surgery or a serious illness, has been nerved, has foundered prior to this Sale, has a lameness due to navicular disorder, osteoarthritis of a joint or other bone abnormality, or a neurological disorder including but not limited to EPM or wobbles, and these conditions must be stated in the catalog or announced when the horse is sold. If a buyer discovers such a condition in the horse which was not stated to the sales management by the consignor, as required and specified above, and NOT disclosed at the time of the sale, and the horse has such a condition at the time of sale, and if the buyer delivers to PTAMN a WRITTEN STATEMENT FROM A QUALIFIED VETERINARIAN within five (5) days of the date of the sale establishing the existence of the condition in detail, the consignor agrees to accept the return of the horse and hereby authorizes PTAMN to refund the purchase price.

**SIXTEENTH** - If the consignor disputes the diagnosis by the buyer's veterinarian for conditions stated in Condition Fifteenth above, that were not stated in the catalog or disclosed before the horse was sold, then PTAMN may appoint an equine veterinarian of its choice to determine the condition of the horse. The examination of the appointed veterinarian shall be limited to the disputed condition. The appointed veterinarian may inspect the horse and may apply such diagnostic testing and procedures as deemed to be appropriate. The appointed veterinarian may also confer with the consignor and the buyer and the buyer's veterinarian, and may review available veterinary medical history including conferring with prior veterinarians having knowledge of the horse, and may review the report and supporting information supplied by the buyer's veterinarian. The decision of the appointed veterinarian shall be final in all respects and PTAMN shall allow or disallow the rejection of the horse by the buyer consistent with the opinion of the appointed veterinarian. The buyer has the duty to present the horse for examination with the appointed veterinarian in cooperation with the veterinarian's schedule and has the duty to provide board, necessary farrier and veterinary care, and transportation until the dispute is resolved. The appointed veterinarian shall be within a reasonable proximity to the buyer. If rejection by the buyer is allowed by PTAMN, the consignor shall pay the cost of services of the appointed veterinarian and the buyer may recover from consignor any direct costs related to care of the horse. Risk of loss passes back to consignor immediately upon notice of decision by PTAMN to allow rejection by the buyer and consignor shall immediately make arrangements to take possession of the horse.

**SEVENTEENTH** - In the event a horse is returned to the consignor in accordance with the conditions 12, 13, 14 & 15, the consignor agrees to pay all reasonable costs involved with the sale and return of the horse, including transportation, board and appropriate sale fees. If legal action is initiated by any party, for any horse entered in this auction, the Seller and Buyer, jointly and severally, agree to indemnify PTAMN, from such suit including legal fees and all related costs incurred by PTAMN.

**EIGHTEENTH** - Auction Management shall not be bound by any oral or written agreement or alleged agreement varying from these **CONDITIONS OF SALE** between the buyer and the consignor unless agreed to by the Auction Management, and any controversy or claim between the buyer and the seller arising under any such agreement shall be a matter for their resolution.

**NINETEENTH** - Buyers and spectators are cautioned to be careful while on the grounds and particularly while horses are being sold or shown in the sale ring. OQHA (Ohio Quarter Horse Association), the officers, staff and employees of OQHA, and PTAMN and its staff and employees, are not responsible for accidents, injuries or loss of property.

**NOTES:** Check out this gorgeous gelding! There are not many like him. He has the color, the pedigree, and the style everyone is looking for. Even if you have no clue how to ride “Ken” will make you look like a professional. With extensive training in reining, he is easy to operate and quiet enough for any level rider with all the training needed to hit the NRHA shows; big sliding stops, spins with no bridle, speed control with a simple voice command, side pass plus quick and fancy roll backs plus he has a true one-hand neck rein. He will excel in Ranch Versatility, Ranch Riding, 4H Reiner, Trail, Western Riding, Ranch Reining, Queen Contest, Equitation, and Western Dressage. Not only is he fancy in the arena, but he will sort cows in the field or box them in the arena. He's always the first to meet you in the field and can sit for weeks without work and be the same horse every time. If you’re looking for a horse to get you noticed or one to learn how to show on, “Ken” is a great option! Up to date on vaccinations, Coggins, and dental. He stands great for the farrier, baths, clips and loads in and out the trailer with ease. KEN sells with a full PPE including clean radiographic from a licensed veterinarian. He is sound with no vices.

**NOTES:** "I Make Money Moves" is a gelding that I have known since he was a yearling. There was something special about this gelding from the very first ride. "Bo" is a deep bodied 4YO with a mentality of that twice his age. With a full list of money earners in his pedigree, Bo will be right there in the mix! He checks the most important boxes- safety, disposition, athleticism, and personality. I have had the opportunity to put him through all the checkmarks of our program. He was started slowly and properly to ensure a dependable future. He has been on numerous overnight camping trips, obstacle courses, shot off of- you name it- we have tried it. His gentle and willing nature is what I admire the most about this colt. As far as personality is concerned, he could double as the family dog, as he will be the first to greet you in the pasture and will drop his head in your arms to be loved on until you leave. His mellow, and good-natured demeanor makes him a great confidence builder and would suit most any level of rider. He is bred to have cow sense, and the natural talent is there. We started roping and sorting on him this summer but he acts like he has been doing it his entire life. Last summer he was used in drill team performances and moonlight rides with over 200 riders. Bo has a deep stop off of your seat, fun and correct turn arounds, and smooth transitions. This is the type of gelding you can use for a week, or lay him off for 45 days, and step right back in the middle of. He has a great travel, if you wanted to throw an english saddle on him and stride out, or he will scale back to a nice pitter-patter trot and lope around the arena. Bo has been hauled around the country, different state parks on overnight trail rides, and ridden by a variety of riders and disciplines. Don't let his age fool you, this is a gelding that has seen more life experiences than most horses with twice his age. We are excited for you to meet Bo! He stands quietly for the farrier and will ground tie until you tell him differently. He is the perfect size for a rider with bad knees, as he is easy to get on and off, but stocky enough to carry almost any size rider comfortably. He has been exposed to all farm machinery, equipment, road traffic, gunfire, deer, cattle - you name it. He is sound and up to date on teeth, vaccines, coggins, and health paper. This gelding has been nothing short of a pleasure to work with since he stepped foot on our property. No matter what direction you want to go, this phenomenal gelding will be sure to take you there. He has all the buttons: side pass, turn around, leg yield, but just as easily-point and go. Gentle, flashy and broke, with unlimited potential! Let Bo make you "money moves".

**NOTES:** Watch the video! Call your babysitter back and tell them “Yeti” has it covered. Yeti craves about the same attention as the family dog. What I like most about Yeti is his go with-the-flow type of personality. He has been ridden double, even triple on the trail, arena ridden and used to pen/sort & doctor cattle on the ranch. Versatile as they come, this classy-looking gelding aims to please. He does all of the obstacles: Teeter Totter bridge, cowboy curtain, whips, tarps, gunfire and flags are old news to him. He has the brain of a horse twice his age and is very receptive to what is asked of him. Yeti is responsive to your leg and seat cues, with a fun turn around and deep stop off your seat. Yeti is a joy to have in the barn. He has been in both a stall environment and turned out on pasture with no bad habits. He is the perfect size for a rider with bad knees, as he is easy to get on and off, but stocky enough to carry almost any size rider comfortably. Pictures don’t do this cute gelding justice. He has good foot and bone, giving him the opportunity to have a long successful career. He has been exposed to all farm machinery, equipment, road traffic, gunfire, deer, cattle - you name it. Sound and up to date on teeth, vaccines, Coggins, and health paper. Uno has been nothing short of a pleasure to work with since he stepped foot on our property. No matter what direction you want to go, this phenomenal gelding will be sure to take you there. He has all the buttons: side pass, turn around, leg yield, but just as easily-point and go. Mozart willingly crosses rivers and has seen wildlife in the mountains. We have used him to rope and brand calves in South Dakota, plus he was used to work buffalo in Montana by a cow horse trainer. He knows all the reining maneuvers with a one hand neck rein. My eight year old sister has ridden him on 420 horse trail rides - many people have ridden this horse. I've used him to pony colts and tough horses and Mozart has been my go-to horse for any job. He's an all-around horse that could be used for 4-H, showing or as a family horse

**NOTES:** "Badger" is a 15.1 hand all-around, anybody-can-ride type of horse. Though he's never been shown, he's been trained in all reining maneuvers and could easily be ridden in western dressage or ranch versatility classes. We've hauled him to various arenas and exposed him to the hustle and bustle of an event environment. Badger has been ridden extensively on our farm and trails, through traffic and other obstacles and distractions. He loads on the trailer, is easy to bathe, shoe and clip, and will ground tie. We have used Badger to teach kids riding lessons and he will not take advantage of a beginner. Badger comes from the Hawthorn Ranch in Nebraska where we purchased him as a 3 year old.
