GENERAL HORSE SHOW RULES

Animal Welfare

Inhumane treatment of any horse (as defined per AQHA rules VIO200) will be grounds for disqualification of that horse and all awards will be forfeited.

Disputes

Any dispute as to operation of classes, matters of protocol, procedures in lab testing, show management issues and all other issues shall be decided by show management. The show management's decision shall be final and considered acceptable by all exhibitors.

Exhibitor Numbers

Numbers will be assigned to each horse at the time of entry, which shall stand for the entire show, and must be displayed whenever the horse is in the show arena. Exhibitors in AQHA classes must use saddle pads with numbers on both sides in all classes (except for Working Hunter and Equitation Over Fences).

Entries who do not pick up their back numbers by NOON the day prior to the class may be SCRATCHED.

Judging Procedures

Three-Judge Procedure: When three judges officiate a Congress class, all three judges' cards are used to determine the final placing. Each back number used on a judge's card receives points, 15 for first place down to one point for 15th place. Ties are broken using the tie-breaker judge designated on the show results.

Four-Judge Procedure: When four judges officiate a Congress class, each contestant's lowest placing is dropped and the remaining three judges' cards are used to determine final placings. Each back number used on a judge's card receives points, 15 for first place down to one point for 15th place. Ties are broken using the tie-breaker judge designated on the show results.

Judge Scoresheets

Judge scoresheets will be posted online at www.quarterhorsecongress.com.

Liability for Loss or Damage

The horse show committee and Ohio Quarter Horse Association assume no responsibility in case of loss or damage to persons, horses or personal property, from any cause, and upon this condition only are entries accepted.

Over Fence Practice and Warm-Up

Fences will be set up in the Buckeye Pavilion on Thursday, October 8th, through Tuesday, October 13th. There will be no schooling in the Celeste Center outside of pre-entered warm-up classes.

Patterns

Patterns will be posted by **September 18th** at quarterhorsecongress.com.

Procedure for Objections

An exhibitor making an objection to the award of the judge shall submit his or her objection in writing to the Show Manager, immediately after the award is made. No objection will be accepted by the Show Manager unless accompanied by a deposit of \$100, which sum shall be forfeited to the horse show if the objection is not sustained.

Medication Rules

OQHA follows AQHA medication rules for all entrants to the horse show. Horses may, at the discretion of the show management, be subjected to laboratory testing. By submitting the entry form, the owner and handler acknowledge that they are subject to drug testing at the discretion of the show management. Any owner refusing testing shall be disqualified and subject to disciplinary action. If it is determined from testing that a violation has occurred, owner and handler shall immediately forfeit any monies or prizes won for exhibition of the horse in violation and shall be subject to additional disciplinary action.

Responsibility for Entry Errors

All entries shall be made by the exhibitor or his/her agent and no animal may be admitted for exhibition unless the entry is duly submitted by the exhibitor or agent. Entry and eligibility errors are the responsibility of the exhibitor and may not be changed at the show, except for rider/handler changes expressly permitted under Congress Horse Show Rules.

Rider Changes

The entry office must be notified of all changes to riders and handlers to any Congress class no later than 12:00 noon the day before the first go of the class. Any horse/rider combination that differs from the official class list maintained by the entry office in Congress Hall will result in disqualification of the entry, both from the go-round and any finals in which it might have qualified.

Right of Cancellation

The Ohio Quarter Horse Association reserves the right to cancel these events without notice and without liability any time prior to the contests. In this case, fees will be refunded.

Right of Removal

The horse show manager and Ohio Quarter Horse Association reserve the right to prohibit any person or horse from showing, or attending to any horse in the show arena, and to remove any person or horse from the grounds without being liable for compensation.

Substitutions

Horse substitutions will be allowed only in the event of death of the original horse entered, excluding Futurity classes.

Supervision of Exercise Areas

The make-up/exercise pens will be under the supervision of AQHA stewards, who will have the authority to remove any exhibitor for inhumane treatment. Horses must leave the arena when the tractor enters for watering and dragging.

Trail Equipment and Trail Practice

A \$35 fee per class will include one paid warm-up slot and access to “at-will” practice (times and locations to be announced). Additional paid warm-up slots can be purchased, paid at the warm-up location, as schedule permits.

Quarter Horse Congress

Don't wear out your boots running back

Nothing slows down your show prep and throws off your game like not knowing what is happening in the show arena. Are you early? Are you late? What class is in now? Why can't I hear the announcer? How many horses left to go in that huge trail class? Not to mention, multiple trips to the show office for entries, scratches, results, and a myriad of other questions.

Unless, of course you use **HorseShowTracker.com**.

HorseShowTracker.com (or the **TRACKER**) is an app used by hundreds of horse shows including the All American Quarter Horse Congress. **TRACKER** continues to expand services and features for owners, exhibitors, trainers spectators and show secretaries - no matter what discipline boots you wear.

The **TRACKER** allows you to store important data and membership info, see results, do entries, make scratches, know what draw is in the arena, find out who owns a specific horse, see how long the average run is going, and much, much more. If you haven't used the **TRACKER** lately - you will be amazed at the newest features and time-saving, real-time information available at your fingertips. Download it today leave the running up to us.
