Slow Close Round Toilet Seat #20491

Step 1 - Push the two white tabs together. This will unlock the plate

Step 2 - Pull the plate out

Step 3 - Place metal bracket in White locking bracket, insert bolt and place back on plate

Step 4 - Push plate back on. You will hear the click when locked back in

Step 5 - Place adjustable sleeve on bolt with adjustable tabs facing up

Step 6 - Screw adjuster nut on with teeth down. Do not tighten down, just enough to keep in place.

Step 7 - Place toilet seat on toilet bowl.

Step 8 - Tighten the adjuster nut.
