

# GREATEST JOURNEY™ APP

## Speaking points

- GREATEST JOURNEY is a fun, exciting way for children to explore the Bible and learn how to follow Jesus. This Bible game app for kids provides an opportunity to experience Scripture stories in a whole new way.
- GREATEST JOURNEY gives kids a bird's-eye view of the Old and New Testaments, introducing them to major events in the Bible and focusing on the life, death, and resurrection of Jesus Christ.
- Players captain the Interstellar Starship Emmanuel on an adventurous trek back in time to witness and participate in 12 Biblical events. After each mission is completed, players report their findings and observations to Admiral Sam, who helps them draw life applications from their exciting excursion. In addition, kids memorize Scripture as they play, which is critical for their spiritual growth.
- This new resource, designed for 5- to 9-year old children, is absolutely free and there are no in-app purchases or advertisements.
- In GREATEST JOURNEY, kids can build their own “avatar” (character) by choosing hair color and style, skin color, accessories, and crew outfits.
- All the lessons in our GREATEST JOURNEY app are based on The Greatest Journey international discipleship course we created for children who receive Operation Christmas Child shoeboxes in more than 100 countries.
- GREATEST JOURNEY is available at the Apple App Store or Google Play in English in more than 140 countries. Once downloaded, the game can be played without being connected to Wi-Fi.

### Take a Step Further

You can also offer The Greatest Journey course. The same 12 lessons taught to shoebox recipients around the globe can now be used to raise up young disciples in the U.S. To learn more about bringing it to your church, visit [samaritanaspurse.org/tgj-us](http://samaritanaspurse.org/tgj-us).
