America's Role in End-Time Bible Prophecy: Watch the Video

World's Last Chance reveals 's future global involvement according to Bible prophecy. The book of Revelation depicts a nation with four unique identification marks which can only apply to . The prophecy in Revelation chapter 13 foretells that will play a pivotal role in the last day events and in implementing the fearful 'mark of the beast'.

[World's Last Chance](#) just released a new video at YouTube and Google that declares the belief that, according to Bible prophecy, America will play a major role in catapulting the world into earth's final events and enforcing the 'mark of the beast'. This will be accomplished by enacting religious laws contrary to the Bible.

The thirteenth chapter of Revelation speaks of a significant nation that will play an important role in instigating the last day events. In this prophecy, Yahuwah has set forth four defining characteristics of that nation.

The first is that the nation must rise to existence around 1798. Second, it must rise from an area of land that is scarcely populated. Third, the nation must be governed by two separate powers. And fourth, despite its alleged dedication to liberty and peace, this nation will be dogmatic and constraining.

The is the only nation to which all four of these identification marks apply. And *Revelation* chapter 13 reveals that the will enforce National Sunday Observance inspiring the entire world to follow its example. This universal mandate will require obedience to a law which is contrary to Yahuwah's fourth commandment to 'Remember the Sabbath day and keep it holy'. All who submit to this law will receive the 'mark of the beast'.

The Bible is infallible because it is Yahuwah's word and it is impossible for any Bible-believer to ignore the book of *Revelation*, the most important prophetic book in the Bible. In light of the turbulent times we are living in, it is every person's duty to study *Revelation* and share its warnings with others.
