What the Hell is 'Hell'?

Watch the Video

[World's Last Chance](#) has released a 7-minute video that demolishes the commonly cherished views on Hell. The video upholds the astonishing concept that Hell does not yet exist and when it does, it will not be an [eternal fire](#).

[Good News About Hell](#) presents a condensed study on five quintessential facts from God's word about Hell. It also addresses common questions like:

Is [Hell fire](#) literal?

Where is Hell?

When do the wicked go to Hell?

Is the soul and body destroyed in Hell?

In addition, the video provides an explanation on the first and second death, and the sure way for avoiding second death.

If you have sometimes feared what [Hell](#) would be like? After understanding what the Bible says about Hell you will realize that some of your worst fears are unfounded.

God does not want us to obey Him because we fear Hell and want to go to Heaven but because we love Him.

The devil strives relentlessly to keep people in the dark by upholding the twisted theory of eternal fire that opposes human instincts.

As a result of this false dogma, our natural impulse is to hate a tyrannical God who delights in the eternal smell of burning flesh; rather than love the tender, pitying Friend of sinners whose unsurpassed love has given Heaven's most precious gift -- His Only Begotten Son -- to redeem us to a Paradise which we do not deserve.

[World's Last Chance](#) produced this video to expose Satan's first and most effective lie given to Eve in Eden: 'Ye shall not surely die.'

The ministry believes that the universal belief of eternal torment in Hell does injustice to the compassionate character of God and has resulted in thousands turning to atheism and to infidelity.

[Good News About Hell](#) is a must-see sequel to one of our previous videos [Death: Its Mysteries Unravelling](#), because it is important to realize that no one is in Hell right now and when Hell will exist, it won't last forever.

We pray that our website will increase your desire to study God's word and come closer to our Saviour Jesus Christ.

Have a blessed and wonderful day!

In His love,

The Word's Last Chance Team
