World's Last Chance Video Identifies the Papacy as

Dreaded Beast of Bible Prophecy

World's Last Chance has released a new video on Bible prophecy identifying the papacy as the beast of Revelation. This video reveals that the Bible has given nine distinct identification marks to identify the beast. Bible prophecy indicates that the papacy united with Protestants will enforce Sunday observance globally through Sunday Laws and that by submitting to such laws humans will receive the mark of the beast.

Identifying who the first beast of Revelation 13 is crucial for the avoidance of receiving the mark of the beast.

In the Bible God has given nine defining characteristics to be able to correctly ascertain who the beast is and thus avoid receiving his mark.

To learn who the beast is according to God's infallible word any one may test an entity such as Nero, Hitler, or Islam to see whether they fulfill God's nine requirements. No entity in the world fulfills all nine points identifying the beast of Revelation other than the Roman Catholic Church.

The thirteenth chapter of Revelation describes two beasts, the first being the papacy, the second the These two beasts, the Papacy and the are working closely together to legislate a law that would require American citizens, followed by the world, to worship the beast of Revelation by honouring the Papacy's Sunday over God's holy Sabbath day. Those who will submit to such law contrary to God's law will receive the mark of the beast and thus lose their eternal life.
