

The long-awaited Armageddon Video is Out!

People have endlessly speculated about the Battle of Armageddon: who, when and where? The true Battle of Armageddon is a cosmic conflict between the Creator and Lucifer for the mind of every individual on earth. Far from being just a military conflict between armies, the Battle of Armageddon involves each person's choice of whom he worships.

Whether you like or not, whether you know or don't wish to know, you are taking part in this battle which will seal your eternal destiny for ever. This video will show you the 2 choices facing you today; and it is our prayer at WLC, that each one of you will side with the winning camp in the global Battle of Armageddon.

*In His love and service,
WLC Team.*
