

MUST READ: "8 Indispensable Weapons in the War Against Sexual Sins"

Beloved of Yahuwah,

World's Last Chance has just released a new article, entitled "[8 Indispensable Weapons in the War Against Sexual Sins.](#)"

We need to be very radical in dealing with sexual immorality in these remaining moments of probationary time. Satan is waging a most ferocious war against Yahuwah's professed people to ensure that they remain enslaved to pornography and sexual immorality. We have been warned in His Word that those who engage in sexual sins will be damned (1Corinthians 6:9-10; Galatians 5:19-21). At WLC, we are fully aware of the kind of relentless war Satan is waging against Yahuwah's people in this area, all over the world. However, no one needs to feel helpless or beyond help in this war. Praise His Name for this fact.
