

# "The Latter Rain is Falling Now!" Video Release

---

Beloved of Yahuwah,

World's Last Chance has just released a new video, entitled ["The Latter Rain is Falling Now!"](#)

Sincere Christians have anticipated with longing the "Latter Rain," or the promised "refreshing" of the Holy Spirit that they expect will get them ready to give the Loud Cry just before the Second Coming. An overlooked verse in Deuteronomy reveals that the "Latter Rain" is quite different than what has been expected and *it is already being poured out!*

## The Latter Rain is Falling Now!

- Outpouring of the Holy Spirit
- Discovering long-buried Truth
- Increased Light & Understanding
- Preparation for the Second Coming
- Living in conformity with revealed light
- Shunning complacency and discarding error

### In this video:

*Are you receiving the Latter Rain?*

May Yahuwah continue to cover you with HIS Grace, Guidance, Mercy, Protection, and LOVE.
