

"Sigh, Cry, & Flee!" Video Release

Beloved of Yahuwah,

World's Last Chance has just released a new video, entitled "[Sigh, Cry, & Flee!](#)"

Heaven's message to the final generation is to **flee all organized religions and denominations**. Religious leaders, however, have a vested interest in keeping people coming to church. They have used the eighth and ninth chapters of Ezekiel to make people think they have a duty to remain members *even when it is clear the church is in apostasy!*

Sigh, Cry, & Flee!

- Wolves in sheep's clothing
- Twisting the Word of Yah
- Boosting church attendance
- Imprisoning the flock
- Laodicean spiritual pride
- Impending judgment

In this video:

Flee ALL organized religions and denominations!

May Yahuwah continue to cover you with HIS Grace, Guidance, Mercy, Protection, and LOVE.

In His Service and Care,
