

"Jesuit Masterminds: Hiding the Flat Earth & the Lunar Sabbath!" Video Release

Beloved of Yahuwah,

World's Last Chance has just released a new video, entitled "[Jesuit Masterminds: Hiding the Flat Earth & the Lunar Sabbath!](#)"

The Jesuit Order has been the mastermind behind some of the largest deceptions in history. Coincidences of dates, goals and agendas link them to the worldwide, modern deception of a globe earth. Careful research of Scripture, archaeology and history, also ties them to the latest cover-up in a lie spanning almost 1,700 years: the widely held belief that Saturday is the seventh-day Sabbath of the Bible.

Jesuit Masterminds: Hiding the Flat Earth & the Lunar Sabbath!

The Jesuit Order (Satan's Henchmen):

- ...is behind some of history's largest deceptions.
- ...cunningly seeks to hide Yahuwah's Flat Earth.
- ...deceptively propped up the Gregorian Calendar in place of the Biblical Lunar-Solar Calendar.
