

## Irish coffee

### Ingredients (serves 1)

1 cup freshly brewed hot coffee  
1 tablespoon brown sugar  
3 tablespoons Irish whiskey  
Fresh cream, whipped  
Milo powder, to serve

### Method

Fill mug with hot water to preheat it, then empty. Pour piping hot coffee into warmed glass until it 1/2 full. Add the brown sugar and stir until completely dissolved. Blend in Irish whiskey. Top with a collar of the whipped heavy cream by gently spooning it on top of the coffee (if you want to be just like the Irish, leave your cream unwhipped). Serve hot with sprinkling of Milo.
