STAYARLINGTON WEBSITE ADVERTISING

The award-winning StayArlington website (StayArlington.com) generated nearly 500,000 pageviews in 2019. To help you reach our audiences, the website features Native Advertising – ads with a compelling image and minimal text that look like editorial content. Benefits of Native Advertising include:

- **70% of internet** users want to learn about products through content versus traditional ads
- On average, advertisers see a **4x increase in click-through rate (CTR)** for native ads compared to traditional advertising
- Website visitors who click on native ads have **18% higher purchase intent** compared to those who click on traditional display ads
- **25% more consumers** look at native ads than at traditional banner ads
