

The established Steelcase Environmental Partnership Program helps our customers fully leverage their furniture assets to the greater benefit of society, the planet, and their own bottom line by facilitating, refurbishing, reselling, donating, and recycling end-of-life furniture. These disassembly directions are provided for recycling when the Steelcase Environmental Partnership Program is not utilized.

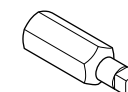

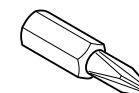

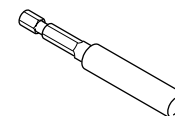

If you have a problem, question, or request, call your local dealer, or Steelcase Line 1 at **888.STEELCASE** (888.783.3522) for immediate action by people who want to help you.

(Outside the U.S.A., Canada, Mexico, Puerto Rico, and the U.S. Virgin Islands, call: 1.616.247.2500)
