Installing a Seat Cushion to a Table

1. On the seat cushion, locate each ball and string. There are four (4) total. Press button on ball inward (1a) and slide ball off string (1b).
2. Lower the seat cushion onto the table and carefully thread all four (4) strings through the table webbing.
3. Place each ball back onto string and slide upward (3a) so it fits snugly under the table webbing (3b).
