

FVSA Adds Endocrinology Care in Oshkosh

Dr. Malik Now Accepting Appointments

An experienced endocrinologist with FVSA, Iftikhar Malik, MD, FACE, ECNU, is expanding his endocrinology services beyond his Appleton practice to also see patients in Oshkosh. Appointments can now be scheduled with him at ThedaCare Physicians-Oshkosh, 600 Westhaven Drive.

Dr. Malik treats patients with complex conditions like thyroid disorders and diabetes. His board certifications include:

- Internal medicine
- Endocrinology and metabolism
- Endocrine certification in neck ultrasound (ECNU)

For an appointment at the Oshkosh location or to see Dr. Malik at his main practice in Appleton at Encircle Health, please call FVSA.
