Pre-Workshop Survey

The following survey is to be completed BEFORE attending the Let’s Talk, Fox Valley Advance Care Planning Workshop. Please take a few minutes to complete the survey. All information will be kept confidential and will be used to analyze the strengths and weaknesses of the workshop.

Gender: ________________________
Age: __________________________
Race: _________________________
Ethnicity: ______________________
Religion (if applicable): ______________
Organization (attending workshop through): _______________________

On a scale of 1-5, (1: never heard of it, 5: could teach a class on it), how much do you know about advance care planning?

1 2 3 4 5

Do you know what kind of care you will prefer in your final days/months?

_____ Yes, I know exactly what I want
_____ Yes, I have a general idea of what I want
_____ No, but I have a few thoughts on the subject
_____ No, I have not thought about it much
_____ Other (please explain):

Think of a loved one whom you speak to often. On a scale of 1-5 (1: not comfortable at all, 5: extremely comfortable), how comfortable would you feel in discussing your end-of-life wishes with that loved one?

1 2 3 4 5
If you were to discuss your loved one’s wishes, how comfortable would you feel on a scale of 1-5 (1: not comfortable at all, 5: extremely comfortable)?

Have you filled out a Power of Attorney for Health Care document?

Please respond to the following questions to the best of your knowledge with either True or False (T/F):

1. Wisconsin is a next-of-kin state. _____
2. Advance care planning is only for people who are terminally ill. _____
3. There are five types of advance directives. _____
4. Discussion of end-of-life wishes is just as important as documenting them. _____
5. Anyone can witness an advance directive being completed. _____
6. Most people prefer to die at home. _____
7. Most people do die at home. _____
8. Most people have had conversations with their healthcare providers about their end-of-life wishes. _____

Answers posted below.

THANK YOU
Post-Workshop Survey

The following survey is to be completed AFTER attending the Let’s Talk, Fox Valley Advance Care Planning Workshop. Please take a few minutes to complete the survey. All information will be kept confidential and will be used to analyze the strengths and weaknesses of the workshop.
