(CHECK THE BOX BELOW)

Southwest Health
FOUNDATION

☐ **AREA OF GREATEST NEED**

Portable Monitors (\$15,300)

- ☐ Help providers care for higher-acuity patients, offering smoother transitions from intensive care while keeping patients safely connected and near their loved ones.

Hana Table (\$108,500)

- ☐ Ease scheduling and allow Surgeons to care for more patients each month, giving them timely access to the procedures they need.

EMS IV Pumps (\$50,000)

- ☐ Ensure the safest medication delivery with lightweight and compact IV pumps which allows EMS to continue to deliver accurate medication dosages.

EKG Machine (\$11,750)

- ☐ Ease staff stress and ensure patients receive timely pre-op care by placing one in each nursing station.

Drager Jaundice Meter (\$8,500)

- ☐ Check bilirubin levels at Outreach Clinic visits, providing peace of mind and reducing unnecessary trips to the Birth Center while keeping care close to home.

Vision Check (\$9,500)

- ☐ Test vision as early as 6 months old to catch issues before school and give every child the chance to see, learn, and thrive.
