Bus./Corp Categories	Annual Fees	Initiation
Business (1-3 members)	\$5000	\$TBD
Corporate (4+ members)	\$4300	\$TBD
Corporate M (up to 10 members)	\$22000-26000 (See Scott LeMire for details)	

Business/Corporate memberships are each required to spend a total of \$4,500 in F&B, Cart, Greens Fees, and golf shop merchandise. The members within the business or corporation are allowed to “share” the required minimum....if your Business membership has 3 members, the total required spend is \$13,500.00; this total can be covered by a single person or company party.

Both Corporate & Business categories will include your spouse and children. Required minimum spend can be shared within members to hit total requirement.

Century Club - As soon as the combined number of years as a golfing member and the age of a Ridgeway member = 100, the member is entitled to 10% off the Dues portion of the Annual fees. New in 2024, the Century Club members will not have any required minimum spend.

Ridgeway Platinum Club

Platinum Qualifying members will be invited to a special dinner at the club. To become a “member” of the Platinum Club, a member needs to be one of the top supporters of the club. Members that have supported the club the most over a 6-month period will receive an invitation (meal is complementary to the member and guest) to this event. The plan is to have 2 special dinners each year as a way of thanking the Platinum Club Qualifiers. The member’s support is restricted to regular dining and bar service.
