**Subject:** Minutes to the Village of Stockbridge Planning Commission Board Meeting

**Attendees:** Chris Grebe, Dennis Cook, Elizabeth Langteau, Peg Hermann, Kim Smith, Amy Zahringer, Tim Lemke and Tammy Mackai, Chairperson

**Not in Attendance:** Sue Lisowe

The meeting was called to order by Planning Commission Chairperson, Tammy Mackai at 5:30 pm.

Subjects discussed were that the Comprehensive Plan was up to date until 2023 and that we should go through all sections to make sure they are current with today's practices. Secondly, should we find items that need amending or updating that we should work on those as well so that we are not rushed to complete the entire review at once and have plenty of time to complete the "deep dive" prior to the 2023 total review.

Other items discussed were:

1. review the current Zoning Map to ensure that the latest version is correct and published as such.
2. have a survey go out as a part of the Spring Newsletter (April timeframe). This survey would go to all the residents of the Village for feedback on opportunities that they would like the Village Board/Planning Commission to review. This would be entitled the Village of Stockbridge Citizen Opinion Survey.

It was agreed that we would meet quarterly in 2020 to begin this process.

The first meeting will be January 30, 2020 at 5:30 at the Village Board Office.
