The Stonehill College Alumni Association is honored to present the Alumni Service Award to

JOHN P. MURPHY
Class of 1964

for his many years of alumni involvement and genuine commitment to Stonehill College.

Given this seventh day of April, Nineteen hundred and ninety

Catherine P. Sabaitis, President
Alumni Council
John P. Murphy, we gather here today to honor you for the outstanding service you have given to Stonehill College. Since graduating in 1964, you have always found time and energy for your alma mater, for its students and your fellow alumni.

You are a tireless advocate of the College and what it stands for, always willing to represent, serve, help out, or put in an appearance. You give of yourself and at all times you do so joyfully and with enthusiasm. That is what makes you such an effective representative of Stonehill.

Your patience, professionalism and thoughtfulness give you a unique presence; one that colleagues, classmates, students, and other parents admire and appreciate.

In addition, the scope of your involvement speaks volumes for your love of Stonehill. You participate in phonathons, admissions fairs, parent orientation programs, and your local Alumni Area Club. You return to campus regularly to help students with their career development plans. As is well known, no distance is too long for you to drive, if you can be of assistance to the College.

It is almost 30 years since you arrived on campus as a freshman. In that time, you have made Stonehill an integral part of your life and an essential component of your identity. Indeed, your wife, Joan, is an alumna, and your daughter, Kathleen, is a sophomore.

Above all, your exceptional generosity of spirit and dedication to Stonehill marks you as someone very special.

In recognition of all the outstanding service you render to the College, the Alumni Association would like to express its gratitude by honoring you with the Alumni Service Award for 1990.

Congratulations and thank you from all your friends.
