\$750,000 PRIVATE PLACEMENT FINANCING CLOSED

Goldbank Mining Corporation ("Goldbank")(TSX.V-GLB) has closed its \$750,000 private placement comprised of 10,000,000 units at \$0.075 per unit. Each unit consists of one common share and one-half of one three-year transferable warrant with one warrant entitling the holder to purchase one additional share at a price of \$0.15 per share. \$336,250 was issued on a flow-through basis. The flow-through shares comprising the 4,483,334 flow-through units and 2,241,667 flow-through shares issuable upon exercise of the warrants comprising the flow-through units will entitle holders to receive the tax benefits applicable to flow-through shares in accordance with provisions of the *Income Tax Act* (Canada).

The subscription by two insiders of Goldbank, for 5,600,000 units or \$420,000, comprising 56% of the total amount raised, constitutes a related party transaction within the meaning of TSX Venture Exchange Policy 5.9 and Multilateral Instrument 61-101 *Protection of Minority Security Holders in Special Transactions* ("MI 61-101"). Goldbank is relying on the exemptions contained in sections 5.5(a) and section 5.7(1)(a) as the fair market value of the participation in the private placement by the two insiders does not exceed 25 per cent of the market capitalization of Goldbank, as determined in accordance with MI 61-101. Goldbank's board of directors and specifically the independent members of the board, as applicable, carefully reviewed and approved the private placement subscriptions by the insiders. Goldbank did not file a material change report in respect of the related party transaction at least 21 days before closing of the private placement as the date of closing was not previously known.

The flow-through proceeds will be used for exploration on Goldbank's Leota claims in the Klondike Goldfields, Yukon Territory, Canada. Non-flow-through proceeds will be used for working capital and repayment of existing liabilities. The terms of the financing have been accepted for filing by the TSX Venture Exchange. The units are restricted from trading until November 19, 2017.

Goldbank Mining Corporation is a Canadian exploration company actively exploring for gold in the Klondike Goldfields near Dawson City, Yukon, Canada.
