ADDITIONAL GOLD QUARTZ CLAIMS ACQUIRED IN YUKON

Goldbank Mining Corporation (TSX.V-GLB) (“Goldbank”) is pleased to announce the acquisition by staking of 187 additional quartz mineral claims in two property areas in the western region of the historic Klondike Goldfields area of the Yukon Territory, Canada.

The new claims were staked by the Company for gold potential.

An exploration crew is currently exploring on Goldbank's Leota property located in the Klondike Goldfields near Dawson City, Yukon Canada.

Goldbank Mining Corporation is a Canadian exploration company actively exploring for gold in the Klondike Goldfields near Dawson City, Yukon Canada and for Platinum, Palladium, Copper and Nickel at the Buck Lake Property in Northwestern Ontario.

For further information please contact the president, Anthony J. Beruschi B.Sc. LLB.:
