

# HELP SUPPORT DEBORAH!

Hidden Chapel's owner and only sales person, Deborah Wilde, has been facing some medical challenges that have kept her in the hospital since mid-December. She may be there for a while yet.

Many of us worked with Deborah in the past—she's an old friend, past colleague and was a successful Realtor with Royal LePage for over 15 years.

A few of us have jumped into the sales roll to help the business while she's recovering and we're hoping some of the people who have known and supported Deborah over the years can help by purchasing a few bottles of wine. For those of you who don't know Deborah, perhaps this is a great opportunity to try their wine or purchase for client gifts!

We've put some packages together, below, and will deliver them to you or you can pick them up at the winery. Paul, her spouse, is there holding down the fort.
