Q1 Please provide your contact information (for the draw):

Full Name: **Mary Elizabeth Adair**
Email: **email.m.e@shaw.ca**
Phone: **403-286-4487**

Q2 My Realtor's Name

Leanne Larsen

Q3 What I liked most about working with them:

Leanne was the most patient person when she dealt with a person like me who was making a huge change in my life. She was always available when I had questions. She went above and beyond to make me feel as if I was the only client she had. Her opinion is very important to me. I had never sold a home before; there were so many different forms that I had to deal with and I wouldn't have managed to get everything done without Leanne's knowledge and help.

Q4 Is there anything that your Realtor could have done to improve your selling/buying experience?

You can't improve on perfection.

Q5 Please provide a short testimonial about your experience? It can be as short as one sentence or as long as it takes to share your experience! Thank you for taking the time!

Not only was Leanne my Realtor and helped me find my new home but also she became a very good friend, how lucky can one person get.

Q6 May we use your name and comments for future CIR marketing purposes? **Yes**

January 2018

If you are looking to buy or sell your home and looking for an amazing Relator I hope you take a minute to read my letter of recommendation.

I would like to share my experience of an outstanding Relator. Her name is Leanne Larson. I want to say I have yet to meet a Relator with Leanne's integrity of professionalism and compassion for her clients. My husband and I met Leanne truly by chance. I like to think of it as fate. We had lost trust in Relators from past experiences of both selling and buying our homes. Quite a few years ago we were in the market to buy a home, as we had sold ours and her name happened to be on the sign of a home we were interested in. We were strangers when we met. Leanne listened to our concerns, wants and needs. Never did she try to convince or per sway us that a home was right for us. In fact after showing us homes she would know right after we seen it whether it was possibly the right house for us. I think she could read me very well and she would even say, "This home isn't you guys". Recently we were looking for a new home as our home was already sold and we had to find someplace to live. We looked in Leanne's area, again she went above and beyond to help us find a home for us and we could not find something to suit what we were looking for. We were pressed for time and we were moving away from where we had been living for quite a few years. I was sad to find out Relators have specific areas they can only represent you in. We did find a home that suited us, although not in Leanne's area. The purchase of our recent property was very hard on me as I knew if Leanne had been our Relator it would have taken a lot of the stress out of the purchase. Buying a home is a big deal and Leanne knows and understands all that goes along with relocating to a new location and the purchase of a new home. It is life changing and she understands this. The biggest thing is that I trusted Leanne and I know she knows real-estate. If you are looking for someone to help you sell or buy your next home without a question I would recommend Leanne Larson. You will not be disappointed. She is amazing person and very good at what she does!

Thank you Leanne for all your support and help in purchasing and selling of our homes throughout the years.

Kindest Regards

Ken & Darlene Skaaning

"Working" with Leanne was an absolute pleasure from our first meeting to the celebratory drinking of a glass of wine at our paper-signing. We felt that she was truly committed to finding us our first home — one that we could be happy in — and not just a house to buy. Leanne showed us many, many options but never pushed us out of our comfort zone. She never seemed inconvenienced, even when we wanted to see a dud. In the end, we got the perfect home for us and gained a friend. We recommend Leanne highly. Her clients are fortunate people!

Leanne,

Feel free to use this, or parts of this, on your website. Thank you, once again, for all your hard work and dedication.
