8:30am to 12:00pm

McGimsey Scout Park

Are you stepping into a leadership role in Cub Scouting—or thinking about it? Ready to Lead is a half-day, in-person course designed to give you the tools, confidence, and ideas you need to lead a successful den or help your Pack thrive.

Whether you just turned in your application or already have some experience, this course bridges the gap between online training and what actually happens at a real meeting. Learn how a Pack works, discover go-to resources, try age-appropriate activities, and connect with other leaders who are, or have been, in your shoes.

We'll cover:

- ✎ What to expect at meetings and throughout the year
- ✎ Simple, fun activities that work for different age levels
- ✎ Planning tips and tools that save time
- ✎ Where to find support and inspiration
- ✎ And yes—camping, hiking, crafts, and more!
