Additional Information:

Enter and Park on the 1st base side of the stadium off the highway 90 access road. Enter the stadium at 1st base gate as the picnic area is located on the 1st base side of the stadium.

Please leave all camping gear in your car during the game. At the conclusion of drone show you will be able to go to your car and bring in what you need for the night. Officers patrol the parking lot periodically overnight however the San Antonio Missions are not liable for any damages to vehicles. Do not leave valuables in vehicles and please lock your vehicles.

All scouts and parents camping please meet in Section 120 after the drone show & gathering camping gear to go over rules and for us to answer any questions. Lights out will be approximately 30-45 minutes after the conclusion of the movie. We will close the gates for your safety so please bring in all you need BEFORE the movie. If you are not camping you must exit the stadium before lights out as gates will be locked for the night at that time.

At no time nor for any reason are participants allowed behind the outfield wall. Participants will have access to the outfield grass and 1st base restrooms. Please refrain from wandering the stadium after lights out.

There will be a medic on staff for any medical emergencies as well as an officer, both are staying overnight. If for any reason you need assistance during the night my cell is (210) 383-1604.

Breakfast will be served in the picnic area when the sun comes up. We must be off the field no later than 8am, so prior to coming up for breakfast please breakdown your camping area and bring all items up to the stands. Field sprinklers are set to start at 8am.
