

## Dive into the Fun with the Angling Educator Training Course!

Ready to reel in some serious fun? Join our exciting four-hour Angling Educator course, perfect for Scouters and Scouts aged 15 and up. Led by expert BSA Certified Angling Instructors, this nationally recognized program is your ticket to becoming a fishing pro!

This isn't just any course—it's your chance to learn the coolest fishing techniques and help young Cubs complete their Fishing Adventures at every level. Imagine organizing epic fishing events for your unit, district, or Council and being the go-to fishing guru.

Here's what you'll catch:

- Master age-appropriate fishing tools and techniques, from cane pole to spin cast, in a way that's fun and easy to teach.
- Create unforgettable memories by sharing your newfound skills with Cubs and Scouts.
- Amp up the excitement at day camps and summer camps with awesome fishing programs.
- Become a key player in attracting and keeping Cubs and Scouts hooked in your unit and district.

And the best part? You'll earn a snazzy BSA Angling Educator patch to show off your newfound skills! So grab your gear, and let's make some waves in the world of fishing!
