2020 Virtual Merit Badge Blitz Day!

Instructions

Thank you for joining us for the 2020 Virtual Merit Badge Blitz Day! We hope that you are successful in completing some advancements today. Some of these classes have pre-requisites, please ensure you have checked your schedule and that you are prepared to attend.

The schedule below lists the scheduled classes by Main Zoom Room. You will find your class, (be sure to match your session) and then log into the link provided for your class 30 minutes prior to the start time. This allows for the room host to place you into the correct classroom prior to the start of the class.

How will the room host know which class you are in? We will be checking rosters and taking attendance in all classes, but to help make this easier for us, upon entry into the main room you will change your name to reflect your next session. All names need to look like this example – "American Labor A3 Linda Dieguez". This tells the main room host to place you into the American Labor class that starts at 12:30 pm.

Please ensure you are attending only the classes you are registered for. If you end up in a class you did not register for, please go back to the main room and ask for assistance from the Main Room Host.

Session start times are as follows (please be in the main room 30 minutes early so we can place you in the correct breakout room):

A1/B1 – 8:00 am
A2/B2 – 10:00 am
A3/B3 – 12:30 pm
A4/B4 – 2:30 pm
